INCOME TAX, 1906.

PUBLIC NOTICE TO MAKE RETURNS.

NOTICE is hereby given in pursuance of the "Additional Taxation Act, 1904," as continued by the "Income Tax Continuance Act, 1906," which impose an Income Tax on all incomes exceeding £1,000 a year, that every person and company within the Division of the Cape (excluding the portion thereof forming the District of Simon's Town), liable to make any return under the said Acts is required to send by post, or deliver such return to me within thirty days from this date.

Any person liable to make a return and who may not have received a form applicable to his particular case may obtain such form on application to me.

No person liable to tax is exempted from the penalties in the next Section mentioned by reason merely of the fact that such person may not have been called upon individually to render a return.

Any person failing or neglecting to furnish a return within the prescribed time, or making a false return, is liable under the said Acts to a penalty of £100, and to be assessed double the amount of Tax to which he would otherwise be liable.

5. MINISTERIAL DIVISION OF COMMISSIONER OF PUBLIC WORKS.

[1116.] [1906.]

Office of the Commissioner of Public Works,
Cape of Good Hope, Cape Town,
1st September, 1906.

HIS Excellency the Governor, with the advice of the Executive Council, has been pleased to approve of the subjoined Provisional Regulations for the use of water from the Douglas Irrigation Works, in lieu of those published by Government Notices Nos. 362, dated 11th December, 1899, 769, dated 24th August, 1905, and 1229, dated 21st November, 1905, to take effect from the 1st July, 1906.

LEWIS MANSERGH,
Secretary for Public Works.

PROVISIONAL REGULATIONS FOR THE USE OF WATER FROM THE DOUGLAS IRRIGATION WORKS.

1. The weir and main furrow will be maintained, and the distributing furrows and sluices will be constructed and maintained by the Government, which shall, through its duly appointed officers, have free access over any land for the purpose of making, inspecting, cleaning or repairing such furrows and sluices.

2. The Government reserves the right, without payment of compensation, of constructing distributing furrows on any erf for the supply of water to other erven, and also paths along such furrows; and the duly authorised officers of the Government and all *bona-fide* irrigators shall have free access at any time over such erven by the said paths for the sole purpose of regulating distributing sluices and closing offtake sluices when necessary, and examining the distributing furrows in cases of obstruction to the flow of water in such furrows from whatsoever cause arising: provided that the area taken for these purposes shall not exceed one-tenth of the total area of the erf.

3. The water supply will be under the control of the Bailiff, who will also be responsible for the measurement of the quantity used. Water will be delivered to the erven, on application made to the Bailiff, at such times as he may decide; but the Government does not guarantee that any entire erf will be irrigated by simple gravitation flow.

4. An annual water rate of one pound per acre irrigable by flow, and of ten shillings per acre irrigable by lift, shall be levied upon the cultivable and irrigable area of every agricultural erf, and shall be paid in two instalments, viz., on 1st July and 1st January. The rate shall be levied upon the area irrigable by flow whether it is actually irrigated or not, but it shall not be levied upon the area irrigable by lift except the necessary plant has been erected for lifting water for the irrigation of a portion of the erf. The rate shall be paid by the owner of the erf, unless it has been paid by the occupier. The supply of water will ordinarily be limited to 500,000 gallons per rateable acre per annum, and Government reserves to itself the right of charging at the rate of one penny per thousand gallons for water taken in excess of the limit. Water will not be supplied during any half-year until the rate for that half-year has been paid.

5. A water rate of one pound per acre on the whole area of any town lot to which water is supplied from the furrow, shall be paid to the Bailiff when application is made for water, and on payment of the rate, water will be supplied to the erf until the end of the half-year then current, that is until the following 30th June or 31st December as the case may be.

6. Water may be supplied to the farms of St. Clair and Backhouse at the rates and subject to the conditions stated in Section 4, provided that the rates shall be levied only upon the cultivated and irrigable areas of the farms.

7. On the special order of the Commissioner of Public Works the Bailiff may stop the supply of water to any person by whom, or to any erf on account of which the rates have not been paid in full.

8. Due care will be taken to secure a sufficiency of water for the erven entitled to water, but the Government will not be responsible for any deficiency arising from any cause. Due care will also be taken to prevent damage from any flooding or overflow of water, but the Government will not be responsible for any such damage arising from causes beyond its control.

9. Any person causing damage to the furrows; or obstructing the flow of water in the furrows; or taking water from the furrows, except in the manner and at the time regulated by the Bailiff; or bathing, or driving animals into, or otherwise in any way polluting the furrows; or hindering the Bailiff in the discharge of his duties, shall be liable on conviction to a fine for each offence not exceeding £10 (ten pounds sterling) or imprisonment with or without hard labour for any period not exceeding two months.

10. The word "Bailiff" shall be taken to mean the Bailiff appointed by the Government, or any other person appointed by any Board or local authority duly authorised by the Government to exercise the rights and powers reserved to it in these regulations or any authorised amendment thereof.

11. These regulations are subject to alteration from time to time as the Governor may approve.

OVEREENKOMSTIG artikel 4, Wet 26 van 1891, als verder bekrachtigd door Wet 18 van 1897 wordt hiermede kennis gegeven dat de volgende stukken Kroonland, gelegen in de Afdeeling Peddie, bij publieke opbod, te huur aangeboden worden zullen voor het kantoor van den Civielen Commissaris te Peddie, om 10 uur 's voormiddags, op Zaterdag, den 3 November 1906, onderhevig aan de Voorwaarden en Bepalingen hierna te worden genoemd, en verder aan zulke condities als op den verkoopdag mogen vermeld worden.

De grond zal voor een termijn van niet minder dan een jaar en niet meer dan vijf jaren aan den hoogsten bieder verpacht worden.

De algemeene voorwaarden van de verpachting zijn als volgt:—

1. Een jaar huur zal den Civielen Commissaris op den dag der verpachting betaald worden, en als de pachttijd meer dan een jaar zal zijn, zal de gereedelijke betaling van de huursom vooruit voor het volgende jaar of de volgende jaren door goedgekeurde borgen verzekerd worden: mits echter dat de Civiele Commissaris twee jaar huur vooruit mag ontvangen, in welk geval genoemde borgstelling niet noodig is.

2. De Regeering behoudt het recht de pacht te eindigen, mocht het dienstig geacht worden den grond te verkoopen of andere omstandigheden het te eeniger tijd noodig of dienstig maken, op twee maanden kennisgeving; en in zulk een geval zal de huur, betaald voor een nog niet afgeloopen deel van het loopende jaar, aan den huurder terugbetaald worden.

3. Gelicentieerde landmeters, bezig met het opmeten van Kroon of anderen grond met hunne assistenten en bedienden, zullen ter alle tijde recht van toegang hebben, tot alle deelen van den verhuurden grond voor professioneele doeleinden.

4. 5. De Regeering neemt niet op zich eenige baken aan te wijzen. De beschrijving van het stuk grond zal op den pachtdag gegeven worden, en de huurder zal daarop verwacht worden de uitgestrektheid van het door hem gehuurde land te vinden.

6. De huurder zal bij het vervallen of anderszins eindigen van den huur, geen aanspraak hebben op eenige vergoeding voor verbeteringen aangebracht gedurende den huurtijd, maar deze zullen het eigendom der Regeering worden.

7. De huurder zal alle bestaande verbeteringen op den ground gedurende den huurtijd in goeden staat moeten houden en die in goeden staat afleveren, maar zal niet gerechtigd zijn tot eenige vergoeding daarvoor.

8. De huurder zal de pacht niet overdragen, of den grond of eenig deel daarvan onder verhuren, of eenige gebouwen daarop, zonder dat eerst de schriftelijke vergunning der Regeering verkregen is.

9. De huurder zal zijn pacht geheel en volstrekt verliezen op het breken van eenige hem bindende voorwaarde.

10. De Regeering behoudt zichzelve het recht voor om het aantal personen te beperken, die op den hierbij verhuurden grond mogen wonen gedurende het bestaan van de pacht, en om, op aanbeveling van den Afdeelingsraad na behoorlijk onderzoek ingesteld met medeweten van den huurder, hetzij zoodanig aantal personen te verwijderen als zij te veel moge oordeelen, of de pacht nietig te verklaren als haar billijk onder de omstandigheden moge voorkomen.

11. Het bewonen van grond onder deze huur zal niet beschouwd worden *bona-fide* occupatie te zijn onder de bepalingen en voor de doeleinden van artikel 20 van Wet No. 40 van 1895.

Andere voorwaarden mogen op den koopdag genoemd worden.

De zegels die volgens Wet 20 van 1884, aan het huur kontrakt moeten gehecht worden, zullen vrij van onkosten door de Regeering aan den huurden verschaft worden.

50. The income from investments of *any Insurance Company* assessable under Sub-Sec. 56. Notwithstanding any assessment that may be made upon any Agent in respect of the income of his principal, the personal income which the Agent derives in respect of his services as Agent shall nevertheless be charged upon him in his own name.

57. Where a principal sells or disposes of goods in the Colony, and the whereabouts of the Agent is not known, the Commissioner may cause the value of such goods to be estimated, and shall assess the profit thereon to the principal on such sum (being not less than five per centum of such value) as the Commissioner may think just.

59. Any Agent mentioned in Sec. 57 of the Act shall, when required by the Commissioner, render accounts sale, showing the actual profit derived by his principal from the disposal of goods in the Colony. If the actual cost price of the goods is less than their invoiced price, such actual cost price shall be the amount debited in such accounts as the cost price of the goods. Income Tax may, at the option of the Commissioner be assessed on the actual amount of profit shown by such accounts.

Objections.

60. Notice of objection by any taxpayer shall be in writing and shall be sent by post or delivered to the Commissioner either by such taxpayer or his Agent or Attorney and shall specify clearly and in detail the specific grounds upon which such objection is made.

61. The Commissioner may, in such form as he thinks fit, direct that Notices of objection are to be sent to him within a specified time, not being less than fourteen days from the date of the Notice of Assessment.

62. The Commissioner may, after receiving Notice of objection, discharge the assessment and may, not less than ten days before the date fixed for hearing appeals by the Court of Review, give Notice of such alteration to the objector in the form shown in the Schedule L annexed hereto, and thereupon the objection shall be deemed to be concluded.

63. The Commissioner may, after receiving Notice of objection, reduce the Assessment, and may give Notice to the taxpayer of such reduction in the form shown in the Schedule M hereto.

64. The taxpayer may, within 14 days after receiving Notice of such reduction from the Commissioner, give him written Notice that he is dissatisfied with the assessment as so reduced or altered, and unless he give such Notice the objection shall be deemed to be concluded.

65. If the taxpayer gives such further Notice under the preceding regulation the Assessment as reduced shall be deemed to be the Assessment appealed against and the taxpayer's original Notice of objection shall be deemed to have been the Notice of Appeal within the meaning of Sub-Sec. (1) of Sec. 73 of the Act.

66. If the Commissioner, after receiving Notice of objection is of opinion that the objection should not be allowed, he may give notice to that effect to the taxpayer in the form shown in the Schedule N hereto, and in default of written notification within 14 days by the taxpayer that he dissents from the Commissioner's decision, the objection shall be deemed to be concluded. If the taxpayer gives notice within 14 days that he refuses to accept the Commissioner's decision, the Commissioner shall transmit the objection, which shall be deemed to be a Notice of Appeal within the meaning of Sub-Sec. (1) of Sec. 73 of the Act, to the Court of Review for hearing and determination.

67. Objections not allowed, consented to, or withdrawn, or deemed to be concluded, shall be transmitted to the Court of Review for hearing and determination, at least seven days before the date set apart for the hearing thereof.

Appeals.

68. Every objection to an assessment or amended assessment made by a taxpayer, of which due notice has been given to the Commissioner, and not assented to by the Commissioner, duly withdrawn by the taxpayer, or deemed to be concluded, as provided by Regulations Nos. 62, 64 and 66, shall be heard and determined by the Court of Review at the sittings next appointed to be held at the place nearest to that at which such taxpayer resides, or at such other place as may be agreed upon by the parties.

69. Every appeal shall be taken to have been commenced by the notice of objection sent to the Commissioner and not deemed to have been concluded as provided for by Regulations Nos. 62, 64 and 66. In case no notice of objection shall have been given as prescribed, an appeal may be commenced by a written notice of appeal to the Court of Review, sent by post or delivered to the Commissioner, within the time fixed by Sub-Sec. i. of Section 73 of the Act.

70. Proceedings before the Court of Review shall be commenced by the production by the Commissioner of a certified copy or extract of the Assessment Book in so far as it relates to the assessment made upon the appellant, or other document under his hand, and the production of the notice of objection lodged or appeal noted by the appellant, together with any material correspondence relating thereto.

71. The burden of proof that the assessment is excessive shall lie on the objector, who shall be strictly limited to the grounds stated in his notice of objection or appeal, as the case may be.

72. It shall be permitted to the Commissioner or the person objecting to any assessment to appear and conduct his case by means of any person authorised by special Power of Attorney in writing under his hand, which shall be filed with the Clerk of the Court; and when it shall appear to the satisfaction of the Court that, by reason of the absence from home of any person so objecting, such written authority could not be obtained, then it shall be permitted to anyone having a general authority to manage his affairs in his absence and willing to conduct the case, to appear for the person objecting and conduct the same.

73. The objector or person appearing on his behalf, shall first produce and exhibit to the Court any documents or writings whereon his objection may be founded, and shall also produce any witnesses he may require to have examined in support of the same.

74. The case on the part of the objector having been heard, the Commissioner, or someone on his part, shall, in like manner, produce any further writings or documents he may desire to have read to the Court, and any witnesses he may require to be examined in support of his assessment.

75. After argument on behalf of the objector and the Commissioner, respectively, and the objector having been heard in reply to any points raised on behalf of the Commissioner and not dealt with in the argument, on behalf of the objector, the Court shall determine the matter in dispute. The Court may reserve its decision until a later stage of the sitting, or until a sitting on a later date.

76. If neither the objector nor anyone admitted for him appear before the Court at the time and place appointed for the purpose, then the Court, upon the request of the Commissioner and upon proof that the prescribed notice of the sitting of the Court has been given to the objector, shall confirm the assessment objected to, unless any question of law arise, in which case the Court may, before giving its decision, call upon the Commissioner for argument in support of the assessment.

77. In case the appellant shall have failed to state the grounds of his objection or appeal, or shall not have stated them in definite terms, the Court may, upon the opening of proceedings (as provided in Regulation No. 70), decide what shall be considered the grounds of objection or appeal.

78. In any case in which a taxpayer has made default in furnishing any return or any information required by the Commissioner, or has failed to state the grounds of his objection or appeal, or if any Return or any information furnished by such taxpayer shall have been defective or misleading, such taxpayer shall not be entitled to any costs on the hearing of his appeal.

79. The Commissioner or the person appealing shall be entitled to call expert or other witnesses in support of any assessment or any appeal against an assessment, and the Court of Review shall, in respect of the summoning, swearing and examination of witnesses, the payment of their expenses, the ordering of the production of accounts and documents, the postponement of cases or partly-heard cases, have and exercise all and singular the powers and authorities conferred by law on Courts of Resident Magistrates for the hearing and determining of civil actions.

5. MINISTERIEELE AFDEELING VAN COMMISSARIS VAN PUBLIEKE WERKEN.

[1116.] [1906.]

Kantoor van Commissaris van Publieke Werken,
Kaap de Goede Hoop, Kaapstad,
1 September 1906.

HET heeft Zijne Excellentie den Gouverneur met het advies van den Uitvoerenden Raad behaagd, de nagenoemde Voorloopige Regulaties goed te keuren voor het gebruik van water uit de Douglas Besproeiings Werken, in plaats van diegenen welke gepubliceerd zijn in Gouvernements Kennisgevingen Nos. 962, gedateerd 11 December 1899, 769 gedateerd 24 Augustus 1903 en 1229 gedateerd 21 November 1905, effekt te nemen van 1 Juli 1906.

LEWIS MANSERGH,
Secretaris voor Publieke Werken.

VOORLOOPIGE REGULATIES VOOR HET GEBRUIK VAN WATER UIT DE DOUGLAS BESPROEIINGS WERKEN.

1. De waterkeering en hoofd sloot zullen worden onderhouden en de verdeelings slooten en sluizen zullen worden gebouwd en onderhouden door het Gouvernement, welke door tusschenkomst van behoorlijk aangestelde beambten, vrijen toegang zal hebben op eenig land voor het doel om zoodanige slooten en sluizen te maken, inspekteeren, schoonmaken of repareeren.

2. Het Gouvernement behoudt zich het recht, zonder betaling van schadevergoeding, verdeelings slooten te bouwen op eenig erf voor het leveren van water aan andere erven, en ook paden langs zoodanige slooten; en de behoorlijk gemachtigde beambten van het Gouvernement en alle *bona-fide* besproeiers zullen ten allen tijde vrijen toegang over zoodanige erven hebben langs de genoemde paden voor het uitsluitend doel om de verdeelings sluizen te regelen en afleidings sluizen te sluiten waar noodig, en de verdeelings sluizen te onderzoeken in gevallen van versperring in den loop van het water in zoodanige slooten, ontstaande uit welke oorzaak ook: Mits dat het area genomen voor deze doeleinden niet meer zal zijn dan een tiende van het totale area van het erf.

3. De water voorraad zal onder de kontrôle zijn van den Waterschout, die ook verantwoordelijk zal zijn voor het meten van de gebruikte hoeveelheid. Water zal worden geleverd aan de erven, op aanzoek bij den Waterschout gedaan, op zoodanige tijden als hij zal beslissen; maar het Gouvernement waarborgt niet dat eenig geheel erf besproeid zal worden door eenvoudige gravitatieafloop.

4. Een jaarlijksche water belasting van één pond per acre besproeibaar door afloop en van tien shillings per acre besproeibaar door oppompen zal worden geheven op het bebouwbaar en besproeibaar area van ieder landbouw erf, en zal worden betaald in twee paaiementen, nam.:—Op 1 Juli en 1 Januari. De belasting zal worden geheven op het area besproeibaar door afloop wordende het al dan niet werkelijk besproeid, maar zij zal niet worden geheven op het area besproeibaar door pompen behalve wanneer de noodige werktuigen zijn gebouwd om het water te pompen voor het besproeien van een deel van het erf. De belasting zal worden betaald door den eigenaar van het erf, tenzij het is betaald door den bewoner. Gewoonlijk zal de toevoer van water beperkt zijn tot 500,000 gallons per belastbare acre per jaar, en het Gouvernement behoudt zich het recht één penny per 1,000 gallons voor water meer geleverd in rekening te brengen. Water zal niet worden geleverd gedurende eenig half jaar totdat de belasting voor dat half jaar is betaald.

5. Eene water belasting van één pond per acre over het geheele area van eenige stad perceel waarop water is geleverd voor de sloot, zal worden betaald aan den Waterschout wanneer aanzoek om water wordt gemaakt en bij betaling van de belasting, zal water worden geleverd aan het erf tot het einde van het half jaar dan loopend, dat is tot den volgenden 30sten Juni of 31sten December, zooals het geval is.

6. Water kan worden geleverd aan de plaatsen St. Clair en Backhouse tegen de prijzen en onderworpen aan de voorwaarden vermeld in Sectie 4, mits dat de prijzen slechts zullen worden geheven op de gecultiveerde en besproeibare areas van de plaatsen.

7. Op het speciaal bevel van den Commissaris van Publieke Werken kan de Waterschout den toevoer van water doen ophouden aan eenig persoon door wien of voor eenig erf waarvoor de belastingen niet ten volle zijn betaald.

8. Behoorlijke zorg zal worden genomen om eene voldoende hoeveelheid water te verzekeren voor de erven die recht op water hebben, maar het Gouvernement zal niet verantwoordelijk zijn voor eenige tekort ontstaande door eenige oorzaak. Behoorlijke zorg zal ook worden gedragen om schade te verhinderen door overstrooming of overloopen van water, maar het Gouvernement zal niet verantwoordelijk zijn voor eenige zoodanige schade ontstaande uit oorzaken waarover het geene contrôle heeft.

9. Eenig persoon die de slooten beschadigt, of den loop van het water in de slooten verstopt, of water uit de slooten neemt behalve op de wijze en op den tijd geregeld door den Waterschout; of die baadt of dieren erin jaagt of anders op eenige wijze de slooten vuil maakt; of die den Waterschout hindert in het uitoefenen van zijne plichten zal schuldig bevonden strafbaar zijn met eene boete van £10 (tien pond sterling) voor iedere overtreding of gevangenisstraf met of zonder harden arbeid voor een tijdperk niet te boven gaande twee maanden.

10. Het woord "Waterschout" zal geacht worden te beteekenen de Waterschout benoemd door het Gouvernement of eenig ander persoon aangesteld door eenig Bestuur of plaatselijke authoriteit behoorlijk gemachtigd door het Gouvernement om de rechten en machten uit te oefenen aan hem gereserveerd in deze Regulaties of eenige gemachtigde amendement daarvan.

11. Deze Regulaties kunnen van tijd tot tijd veranderd worden zooals de Gouverneur goedkeurt.

6. MINISTERIEELE AFDEELING VAN SECRETARIS VOOR LANDBOUW.

[938.†] [1906.]

DEPARTEMENT VAN LANDBOUW

Landmeter-Generaals Kantoor,
Kaapstad, 23 Juli 1906.

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, zooals geamendeerd door artikels IV., V., en VI., van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat de volgende Perceelen Kroonland, bij publieke veiling te koop aangeboden zullen worden voor de kantoor van de respektievelijke Civiele Commissarissen, om 10 uur v.m., op de genoemde datums, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en de algemeene koop-condities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Te Kenhardt, op Vrijdag, 28 September 1906.
Te Clanwilliam, op Zaterdag, 29 September 1906.
Te Beaufort West, op Woensdag, 10 October 1906.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Met dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent. per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het oordeel van den Civielen Commissaris goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot de betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van excussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk perceel en van den Grondbrief, nam., 12s. 3d., zullen aan den Civielen Commissaris of andere ten dien opzichte wettelijk geauthoriseerden persoon, op den koopdag betaald worden.

De kooper is verplicht een verband te passeeren, gevende interest tegen vier per cent. per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van den datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

De Kaarten en Condities van Verkooping kunnen gezien worden ten kantore van den Landmeter-Generaal, Kaapstad, en ten kantore van de respektievelijke Civiele Commissarissen.

45. Any income or revenue derived or received by any Insurance Company, and not credited in the accounts of either of the branches named in the preceding paragraph, shall be dealt with as determined by the Commissioner, subject to appeal, as provided by the Act, against any assessment made.

46. Every *Non-Mutual Insurance Company* shall be liable to be assessed on the amount of its actual profits, ascertained as follows:—

(*a*) In regard to Life Insurance:—By taking a proportion of the total life profits of the Company in the same ratio that the premiums received in the Colony during the year of assessment bear to the total premiums received.

(*b*) In regard to Annuities:—By taking a proportion of the total annuity profits of the Company, in the same ratio that the annual payments by the Company in the Colony in respect of annuities during the year of assessment bears to the total annual payments by the Company in respect of all its annuities.

(*c*) In regard to any other branch of Insurance business: By charging against the premiums received (less any premiums on re-insurances effected in the Colony) and other income derived or received in the Colony, the actual losses (after deduction of re-insurances effected in the Colony) and expenses incurred in the Colony in respect of such premiums and income provided that no amount set aside for unearned premiums shall be allowed in arriving at the amount so ascertained.

50. The income from investments of *any Insurance Company* assessable under Sub-Sec. (4) of Sec. 60 of the Act may, in respect of its Life Assurance business, be ascertained by taking a proportion of the total dividends and interest received by the Company during the year of assessment from all investments in respect of Life Assurance. Such proportion shall be in the same ratio that the premiums received for Life Assurance in the Colony bear to the total premiums received by the Company for Life Assurance.

51. The Income from investments of *any Insurance Company* assessable under Sub-Sec. (4) of Sec. 60 of the Act in respect of granting Annuities may be ascertained by taking a proportion of the total dividends and interest received by the Company during the year of assessment from all investments in respect of Annuities. Such proportion shall be in the same ratio that the annual payments by the Company in the Colony in respect of annuities bears to the total annual payments by the Company in respect of all its annuities.

52. The income from investments of any *Mutual* Insurance Company, assessable under Sec. 52 of the Act in respect of Fire, Accident, Marine or Fidelity business, shall be ascertained by taking a proportion of the total dividends and interest received by the Company from all investments in respect of any such branch during the year of assessment. Such proportion shall be in the same ratio that the premiums received in the Colony for that branch of business bear to the total premiums received by the Company for the same branch.

53. In the case of a Company having its Head Office in the Colony, "received in the Colony" shall mean received at the Head Office of the Company without the intervention

of an Agent, or received by or through any Agent of the Company in the Colony. In the case of a Company whose Head Office is not in the Colony this expression means received by or through any Agent in the Colony.

54. Any person or Company carrying on any class of insurance business, shall in regard to such business be deemed to be an Insurance Company for the purposes of the Act.

ASSESSMENT.—AGENTS, TRUSTEES.

55. Any person, when applied to by the Commissioner or Assessor, shall make a return stating the names and addresses of all persons for whom he acts as Agent, Attorney or Trustee, and, if required, shall state the amount paid by him in respect of income arising or accruing in the Colony to any person for whom he acts.

56. Notwithstanding any assessment that may be made upon any Agent in respect of the income of his principal, the personal income which the Agent derives in respect of his services as Agent shall nevertheless be charged upon him in his own name.

57. Where a principal sells or disposes of goods in the Colony, and the whereabouts of the Agent is not known, the Commissioner may cause the value of such goods to be estimated, and shall assess the profit thereon to the principal on such sum (being not less than five per centum of such value) as the Commissioner may think just.

58. Income Tax shall thereupon be payable on the amount of such assessed profit, and the Commissioner may require payment thereof, and shall have power to detain such goods until payment is made.

59. Any Agent mentioned in Sec. 57 of the Act shall, when required by the Commissioner, render accounts sale, showing the actual profit derived by his principal from the disposal of goods in the Colony. If the actual cost price of the goods is less than their invoiced price, such actual cost price shall be the amount debited in such accounts as the cost price of the goods. Income Tax may, at the option of the Commissioner be assessed on the actual amount of profit shown by such accounts.

OBJECTIONS.

60. Notice of objection by any taxpayer shall be in writing and shall be sent by post or delivered to the Commissioner either by such taxpayer or his Agent or Attorney and shall specify clearly and in detail the specific grounds upon which such objection is made.

61. The Commissioner may, in such form as he thinks fit, direct that Notices of objection are to be sent to him within a specified time, not being less than fourteen days from the date of the Notice of Assessment.

62. The Commissioner may, after receiving Notice of objection, discharge the assessment and may, not less than ten days before the date fixed for hearing appeals by the Court of Review, give Notice of such alteration to the objector in the form shown in the Schedule L annexed hereto, and thereupon the objection shall be deemed to be concluded.

63. The Commissioner may, after receiving Notice of objection, reduce the Assessment, and may give Notice to the taxpayer of such reduction in the form shown in the Schedule M hereto.

64. The taxpayer may, within 14 days after receiving Notice of such reduction from the Commissioner, give him written Notice that he is dissatisfied with the assessment as so reduced or altered, and unless he give such Notice the objection shall be deemed to be concluded.

65. If the taxpayer gives such further Notice under the preceding regulation the Assessment as reduced shall be deemed to be the Assessment appealed against and the taxpayer's original Notice of objection shall be deemed to have been the Notice of Appeal within the meaning of Sub-Sec. (1) of Sec. 73 of the Act.

66. If the Commissioner, after receiving Notice of objection is of opinion that the objection should not be allowed, he may give notice to that effect to the taxpayer in the form shown in the Schedule N hereto, and in default of written notification within 14 days by the taxpayer that he dissents from the Commissioner's decision, the objection shall be deemed to be concluded. If the taxpayer gives notice within 14 days that he refuses to accept the Commissioner's decision, the Commissioner shall transmit the objection, which shall be deemed to be a Notice of Appeal within the meaning of Sub-Sec. (1) of Sec. 73 of the Act, to the Court of Review for hearing and determination.

67. Objections not allowed, consented to, or withdrawn, or deemed to be concluded, shall be transmitted to the Court of Review for hearing and determination, at least seven days before the date set apart for the hearing thereof.

APPEALS.

68. Every objection to an assessment or amended assessment made by a taxpayer, of which due notice has been given to the Commissioner, and not assented to by the Commissioner, duly withdrawn by the taxpayer, or deemed to be concluded, as provided by Regulations Nos. 62, 64 and 66, shall be heard and determined by the Court of Review at the sittings next appointed to be held at the place nearest to that at which such taxpayer resides, or at such other place as may be agreed upon by the parties.

69. Every appeal shall be taken to have been commenced by the notice of objection sent to the Commissioner and not deemed to have been concluded as provided for by Regulations Nos. 62, 64 and 66. In case no notice of objection shall have been given as prescribed, an appeal may be commenced by a written notice of appeal to the Court of Review, sent by post or delivered to the Commissioner, within the time fixed by Sub-Sec. i. of Section 73 of the Act.

70. Proceedings before the Court of Review shall be commenced by the production by the Commissioner of a certified copy or extract of the Assessment Book in so far as it relates to the assessment made upon the appellant, or other document under his hand, and the production of the notice of objection lodged or appeal noted by the appellant, together with any material correspondence relating thereto.

71. The burden of proof that the assessment is excessive shall lie on the objector, who shall be strictly limited to the grounds stated in his notice of objection or appeal, as the case may be.

72. It shall be permitted to the Commissioner or the person objecting to any assessment to appear and conduct his case by means of any person authorised by special Power of Attorney in writing under his hand, which shall be filed with the Clerk of the Court; and when it shall appear to the satisfaction of the Court that, by reason of the absence from home of any person so objecting, such written authority could not be obtained, then it shall be permitted to anyone having a general authority to manage his affairs in his absence and willing to conduct the case, to appear for the person objecting and conduct the same.

73. The objector or person appearing on his behalf, shall first produce and exhibit to the Court any documents or writings whereon his objection may be founded, and shall also produce any witnesses he may require to have examined in support of the same.

74. The case on the part of the objector having been heard, the Commissioner, or someone on his part, shall, in like manner, produce any further writings or documents he may desire to have read to the Court, and any witnesses he may require to be examined in support of his assessment.

75. After argument on behalf of the objector and the Commissioner, respectively, and the objector having been heard in reply to any points raised on behalf of the Commissioner and not dealt with in the argument, on behalf of the objector, the Court shall determine the matter in dispute. The Court may reserve its decision until a later stage of the sitting, or until a sitting on a later date.

76. If neither the objector nor anyone admitted for him appear before the Court at the time and place appointed for the purpose, then the Court, upon the request of the Commissioner and upon proof that the prescribed notice of the sitting of the Court has been given to the objector, shall confirm the assessment objected to, unless any question of law arise, in which case the Court may, before giving its decision, call upon the Commissioner for argument in support of the assessment.

77. In case the appellant shall have failed to state the grounds of his objection or appeal, or shall not have stated them in definite terms, the Court may, upon the opening of proceedings (as provided in Regulation No. 70), decide what shall be considered the grounds of objection or appeal.

78. In any case in which a taxpayer has made default in furnishing any return or any information required by the Commissioner, or has failed to state the grounds of his objection or appeal, or if any Return or any information furnished by such taxpayer shall have been defective or misleading, such taxpayer shall not be entitled to any costs on the hearing of his appeal.

79. The Commissioner or the person appealing shall be entitled to call expert or other witnesses in support of any assessment or any appeal against an assessment, and the Court of Review shall, in respect of the summoning, swearing and examination of witnesses, the payment of their expenses, the ordering of the production of accounts and documents, the postponement of cases or partly-heard cases, have and exercise all and singular the powers and authorities conferred by law on Courts of Resident Magistrates for the hearing and determining of civil actions.

80. In any case in which the Court of Review shall make an order as to costs under the provisions of sub-section (5) of Section 73 of the Act, the bill of such costs shall be taxed by the Clerk of the Court of Review, provided that the Commissioner, or the appellant may apply to the President of the Court of Review for reconsideration of any items or portions of items in such bill, and the President's decision as to whether such items or portions of items shall be allowed or disallowed, shall be final.

81. The fees, charges and rates to be allowed in such bills of costs shall be, as far as applicable, those fixed by the tariff of fees and charges in cases heard before Circuit Courts.

82. The decision of the Court in regard to the determination of any appeal shall be in the form shown in Schedule "O."

CASES FOR THE SUPREME COURT.

83. In the event of either party to an appeal requiring a case to be stated on a point of law, notice in writing shall be given by such party within twenty-one days after the decision of the Court of Review.

84. Such notice shall be given by leaving with the Clerk to the Court of Review a brief statement of the point of law to be submitted.

85. Security in regard to costs shall be required of such amount and such form as is approved by the President of the Court of Review.

86. The Court of Review shall prepare a statement of the case, and such statement, and also any case stated by the Court of its own motion, shall be forwarded to the Registrar of the Supreme Court, and at the same time a copy thereof transmitted to each of the parties to the case.

PAYMENT.

87. Income Tax payable under the Act shall be paid (on a date to be hereafter notified) to the Receivers duly appointed by Public Notice, at their respective offices.

88. Before proceedings are taken for the recovery of any Income Tax, a notification to pay shall be forwarded by post to the taxpayer addressed to his usual or last known place of abode.

89. Such notification shall set forth the amount of tax assessed, and give particulars of the time and place at which it should be paid.

PENALTIES.

90. All proceedings for contravention of the Act shall be taken upon information or complaint of the Commissioner or of any person duly authorised by him.

91. Whenever any penalty is imposed under Section 81 of the Act, there shall be two separate convictions, the first which shall be enforceable forthwith, adjudging the defendant to pay such penalty as is imposed; and the second, adjudging him to be assessed and charged double the amount of the tax to which he would otherwise be liable.

MISCELLANEOUS.

92. Any assessment for debenture interest made under Section 56 of the Act, may, at the option of the Commissioner, exclude any half-yearly payments which do not exceed £5, and may also exclude any interest payable to any person who the Commissioner is satisfied is not liable to Income Tax.

93. To avoid the necessity for repayment the Commissioner may make such arrangements as he deems fit in order to relieve from assessment the income (not being income derived from a Limited Liability Company) of any person in this Colony of whose title to exemption he is satisfied, and may also make such arrangement as he deems necessary in order to avoid duplicate taxation in this Colony.

94. Only such losses, outgoings and expenses as have actually been incurred during the year in respect of which the income is returned, shall be deducted from the income of that particular year.

95. If in any year the losses, outgoings and expenses incurred by any person exceed his income of that year, such excess shall not be allowed to be deducted from the income of any subsequent year.

96. Whenever as to any particular income

(1) More than one person appears or claims to be liable or qualified to pay Income Tax, or
(2) A question arises as to the person liable to pay Income Tax, or
(3) A question arises as to whether a person is liable to pay or is chargeable with Income Tax, and whether on his own behalf or in a representative capacity,

the Commissioner may decide the matter in question subject to appeal as provided by the Act.

97. Pending final decision of the matter all the persons appearing to be liable to pay Income Tax in respect of any particular income shall be jointly and severally responsible for the proper discharge of the duties imposed by the Act on taxpayers.

98. Any person applying for any information as to the particulars of an entry in the Assessment Book, shall produce the notice of assessment or otherwise satisfy the Commissioner that he is the taxpayer entitled to be supplied with such information.

DEPARTMENT OF AGRICULTURE

Office of the Surveyor-General,
Cape Town, 27th July, 1906.

IN terms of Section II, Act No. 15 of 1887, as amended by Sections IV, V and VI of Act No. 40 of 1895, it is hereby notified for general information that the following erven will be offered for sale, by Public Auction, in front of the Offices of the respective Resident Magistrates, at 10 o'clock a.m., on the dates specified subject to the conditions and stipulations in the above Act, and in the General Conditions of Sale set forth, and further to such conditions as may be declared on the day of Sale.

At T'somo, Transkei, on Saturday, 6th October, 1906.

At Maquanduli, in Tembuland, on Saturday, 6th October, 1906.

At Lusikisiki, in Eastern Pondoland, on Monday, 8th October, 1906.

Each Lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and every such purchaser shall have the option of paying either the whole or a part of the purchase money on the day of sale: Provided:

(i) That if no payment be made on the day of sale one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

(ii) That if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months, and the remaining one-tenth at the expiration of twelve months from the day of sale.

(iii) That if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

(iv) In cases where the purchase-money is less than twenty-five pounds, the whole amount shall be paid in cash, or in equal instalments extending over a period of three years.

Interest on the instalments above mentioned shall be paid at the rate of four per centum per annum; and the payment of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Resident Magistrate, which sureties will bind themselves in regard to such payments as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail, or are unable to make the necessary payments of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of Survey on each Lot, and of the Title Deed, viz., 12s. 3d., shall be paid to the Resident Magistrate or other duly authorised person in that behalf, on the day of sale.

In the event of the purchase price being £25 or more, the purchaser shall be bound to pass a mortgage bond bearing interest at the rate of four per centum per annum in favour of the Government for four fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond or any portion thereof, not being less than fifty pounds at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage as above, he will be required to pass the Bond within thirteen (13) calendar months from the day of sale, failing which, a fine of one shilling will be imposed for every day allowed to pass beyond it, up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of the fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent court of law without further notice, and if not paid within one month after the date of judgment, the sale shall become null and void, and payments already made in respect thereof, shall be forfeited to the Government

The General Plan and Conditions of Sale may be seen at the Surveyor-General's Office, Cape Town, and at the Offices of the respective Resident Magistrates.

ALLOTMENT OF REMAINING FARMS COMPRISED IN THE FIRST RAILWAY LAND GRANT, BECHUANALAND.

UNDER and by virtue of a Resolution adopted by the House of Assembly on the 27th May, 1904, and concurred in by the Legislative Council on the 28th May, 1904, it is hereby notified for general information that the under-mentioned farms, being portion of the area known as the First Railway Land Grant, Bechuanaland, situate in the Division of Vryburg, will *up to and including the 30th November*, 1906, be open for selection in the manner and on the terms and conditions hereunder set forth, viz. :—

1. Every application for such land shall be made, in writing, to the Civil Commissioner of Vryburg, who shall note thereon the date on which such application shall have been received by him, and in due course submit the same to the Land Board appointed for the purpose by Government.

Any application received after the 30th November, 1906, will not be considered.

2. The said Land Board shall thereupon allot the land so applied for to the person who, in its opinion, after due enquiry is deemed the most suitable—provided that, in no case shall the Board be bound to select any person deemed undesirable.

3. Every applicant for land under the provisions of this Notice shall make and append to his application a declaration to the following effect :—

I, [A.B] (insert occupation), residing at ———— in the District of————, do solemnly and sincerely declare that I am a British subject of the age of twenty-one years and upwards, that I make this present application for my own exclusive use and benefit, and not directly or indirectly for "the use or benefit of any other person whomsoever, that I am not the owner of any land other than urban property, that I have not made any arrangement or agreement to enable or permit any other person to acquire by purchase or otherwise, the land in respect of which this my application is made."

Signature of Applicant,

[A.B.]

Declared before me at————this————day of ———— 190

[C.D.]

Justice of the Peace.

4. Every applicant at the time of making application shall deposit with the Civil Commissioner of the Division in which such land is situate a sum equal to one-twentieth of the value of such land, and of the survey and other expenses connected therewith, and in the event of his neglecting or refusing to take up the land so applied for, if allotted to him, the said sum shall be absolutely forfeited to the Government: Provided that in the case of the ground applied for not being allotted to him, the amount of his deposit shall be returned to him forthwith.

5. Any British subject of full age may be allotted land under the provisions of this Notice, but no person who is the registered owner of any land other than urban property within the Colony, and no person who has at the time of application made any arrangement or agreement to permit any other person to acquire by purchase or otherwise the land so applied for shall be allotted land, and no person shall be capable of receiving more than one allotment under these provisions.

6. The Minister shall issue to the successful applicant a licence to hold the land applied for on the following terms and conditions :

(*a*) The licence shall be for five years, reckoned from the next first July, or first January following the date of licence, but occupation may commence immediately the Licence deed is issued.

(*b*) The yearly payment in respect of such licence shall be equal to one-twentieth the price fixed for the land so held, together with one-twentieth of the survey and other expenses on such land, and shall be paid in advance.

(*c*) The deposit paid at the time of application shall be in discharge of the amount due on the next first day of January or July, as the case may be.

(*d*) The person to whom such licence is issued shall, within six months of the issue of his licence, personally occupy the land allotted to him, and shall continue so to occupy such land except as hereinafter provided, for the term of five years, or until he shall obtain a title to such land.

(*e*) No substitution whatever will be allowed during the period of the licence, unless the applicant shall have notified to the Civil Commissioner, when submitting his application for the farm, in terms of Section I of this notice, that he desires to occupy by substitute, and shall at the same time have submitted, in writing, the name of the proposed substitute for the consideration and approval of the Land Board.

Occupation by substitutes other than those approved of as above will not be permitted, and in no case will occupation by substitute be allowed for more than two years during the whole term of the licence.

7. No land held under the provisions of this Notice shall be transferable during the currency of the licence mentioned in the clause next preceding, except with the previous consent of the Government.

8. In the event of any failure during the currency of the licence to perform the condition of occupation the Minister may declare the licence absolutely forfeited and the land in respect of which the licence is issued shall revert to Government: Provided that if it is proved to the satisfaction of the Minister that the failure to occupy was caused by drought, or some other cause deemed sufficient by the Minister, he may excuse such failure, but such excuse shall not be given for a period of more than twelve months unless such cause subsists for a longer period.

9. At the expiration of the five years for which any licence is granted, and if the Minister is satisfied that the conditions therein contained have been duly fulfilled, he shall cause to be issued to the licensee a title deed to the land held and occupied by him on quitrent tenure at an annual quitrent equal to the yearly licence fee, which quitrent shall cease to be payable when twenty instalments (20) in all, equivalent to the purchase price of the land, have been paid.

10. The title deed will be subject to the following general conditions, and to such special conditions as may be considered expedient, viz. :—

(*a*) All roads and thoroughfare being or existing on the land, whether described in the diagram or not, shall remain free and uninterrupted; unless the same be closed or altered by competent authority.

(*b*) If at any time it should appear to the Governor upon petition of any adjacent or neighbouring proprietor that such adjacent or neighbouring proprietor requires a way or road of necessity to or from the land of such adjacent or neighbouring proprietor, the owner of land so granted, upon which such road is required, shall be bound to grant such way or road of necessity, and to point out the direction and width thereof: Provided that in case of a dispute or difference regarding such road, or its sufficiency, the direction and width of the road shall be decided upon by the Divisional Council of the Division in which the land is situated: Provided further that the said owner shall not be bound to allow such road or thoroughfare across land which shall at the time be in a state of cultivation or improvement, and that compensation for the right of way and any damage done shall be paid for by the person or persons for whose benefit and upon whose application the said road is made according to determination by arbitration.

(*c*) The Governor shall at all times have the right to make roads, railways, dams, aqueducts, drains, and to conduct telegraphs over the land for the benefit of the public, and to take materials for these purposes, also to establish convenient outspans for the use of travellers, on payment to the proprietors of such sum of money as compensation as may be determined by arbitration: Provided that the arbitrators may set off against the loss or damage caused to the proprietor, the benefit, instant or prospective, which he shall or may derive in consequence of the construction of any of the said works.

(*d*) The Governor shall at all times have the right of resuming the whole or a portion of the land hereby granted, if required for public purposes, on payment to the proprietor of such sum of

If any instalment shall not be paid within three months of the date on which it is due and payable an additional sum equal to one-fourth part thereof, by way of penalty, shall be added thereto, and shall, together with the instalment overdue, be recoverable at the suit of the Government in any competent Court.

These farms will be allotted subject to the condition that the Licencee shall not be allowed during the continuance of his licence to cut down or destroy any forest timber, or poles growing upon the land, except as shall be reasonably necessary for domestic purposes, and for the beneficial occupation of the land, but not for sale.

Office of the Surveyor-General,
Cape Town, 29th August, 1906.

IN terms of Section 4, Act 26 of 1891, as re-enacted by Act No. 18 of 1897, it is hereby notified that the following Pieces of Crown Land, situate in the Division of Peddie, will be offered for Lease, by Public Auction, in front of the Office of the Civil Commissioner of Peddie, at 10 o'clock a.m., on Saturday, the 3rd November, 1906, subject to the Conditions and Stipulations hereinafter contained, and further to such Conditions as may be declared on the day of Sale.

The Land will be let on Lease for any term not less than one year and not exceeding five years, to the highest bidder.

The following are the Conditions of Lease :—

1. One year's rent shall be paid to the Civil Commissioner on the day of Sale, and if the term of the Lease shall exceed one year the due payment in advance of the rent for the subsequent year or years shall be secured by approved sureties; provided that the Civil Commissioner may receive two years' rent in advance, in which case the said security will not be required.

2. The Government reserves the right of terminating the Lease should it be thought expedient to sell the land or other circumstances render it necessary or expedient at any time, at two months' notice; and in such case the proportion of paid rent for any unexpired portion of the current year shall be refunded to the Lessee.

3. Licensed Land Surveyors employed in the survey of Crown or other lands with their assistants and servants, shall have the right of access at any time to any part of the land leased for professional purposes.

4. The right of searching and mining for ores, metals, minerals, or precious stones, is reserved to the Government or to any person authorised by it, save in so far as such right may limit the rights and privileges of the said Lessee in respect of precious stones and minerals, in manner provided by any Act in that behalf.

5. The Government does not undertake to point out any beacons. The description of the Lot will be given on the day of Sale of the Leases, and the Lessee will thereupon be expected to find the extent leased by him.

6. The Lessee shall not be entitled at the expiration or other termination of his Lease, to any compensation for improvements made during the term of the Lease, but they shall become the property of the Government.

7. The Lessee shall be required to keep all existing improvements on the land in good repair during the Lease, and to deliver up the same in good repair, but shall not be entitled to any compensation for the same.

8. The Lessee shall not transfer the Lease nor sublet the land or any portion of it, or any buildings or erections thereon, without the written sanction of the Government first obtained.

9. The Lessee shall wholly and absolutely forfeit his Lease upon the breach of any condition binding him.

10. The Government reserves to itself the right to limit the number of persons who may reside on the land hereby leased during the subsistence of the lease, and, upon the recommendation of the Divisional Council, after due enquiry made with cognisance of the Lessee, either to remove such numbers of persons as it may consider excessive or to cancel the lease as may seem to it equitable under the circumstances.

11. The occupation of land under this Lease shall not be held to be *bona fide* occupation under the provisions and for the purposes of Section 20 of Act No. 40 of 1895.

Other conditions may be declared on the day of Sale.

The Stamps required by Act No. 20 of 1884, to be affixed to the Contracts of Lease will be furnished by the Government free of charge to the Lessee.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy.

GREETING!

WHEREAS upon Petition of THOMAS HERBERT HAZELL it appears to us that KARL KAMP, of Cape Town, is justly and truly indebted to the Petitioner in the sum of £57 sterling, together with interest thereon from 1st January, 1906, at the rate of Six (6) per cent. per annum, being balance due upon a certain Second Mortgage Bond for £100, dated 6th January, 1905, executed by the said KARL KAMP in favour of THOMAS HERBERT HAZELL, in his capacity as Trustee in the Insolvent Estate of Carl Furstenbender, and which was ceded by the said Trustee to the Petitioner on 12th June, 1906, for value received, and wherein the under-mentioned property was specially hypothecated, namely:—

Certain piece of freehold land marked Lots Nos. 148a, 149a, 150a, and 151a, situate near the Elsie's River Halt, in the Field-cornetcy of Tygerberg, Cape Division, being a sub-division of the Glen Lily Estate, part of the farms "Lovenstein" and "Zandgat," measuring 277 square roods, 112 square feet.

And whereas it further appears to us that on the 2nd day of March, 1906, the CAPE TOWN AND DISTRICT GAS LIGHT AND COKE CO., LTD., issued out of this Honourable Court a writ of execution against the goods and chattels of the said KARL KAMP for the sums of £12 15s. 6d. and £2 3s. 1d., together with a further sum of £9 14s. 2d., in terms of a judgment obtained by the said Plaintiffs against him in this Honourable Court on the 22nd day of February, 1906, and that the said Defendant was afterwards required by the Sheriff of this Colony to satisfy the said judgment, or to point out sufficient disposable property to satisfy the same; but that it appears from the return made by the said Sheriff to the said writ that no goods or chattels of Defendant were either pointed out or after diligent search found whereof the exigency of the said writ or any part thereof could be made, and the landed property described in the writ, which is mortgaged to your Petitioner, was therefore attached, and that in consequence of the failure of the said Defendant to satisfy the said judgment as appears from the said return, he has committed an act of insolvency; whereupon the said Petitioner prayed that the Estate of the said KARL KAMP might be sequestrated for the benefit of the Creditors thereof.

And whereas it further appears to us of record that the Honourable Mr. Justice Hopley, one of the Judges of the Supreme Court, of our said Colony, did by an order under his hand bearing date the 1st day of September, 1906, place the Estate of the said KARL KAMP under sequestration in the hands of the Master of the Supreme Court until the same should be thereafter adjudged to be sequestrated.

Now, therefore, we command you that you summon the said KARL KAMP, of Cape Town, that he appear before Our Judges of Our Supreme Court of Our said Colony, at Cape Town, on the 15th day of October, 1906, at 10.30 o'clock in the forenoon, to show cause, if any, why his Estate should not by sentence of the said Supreme Court, be adjudged to be sequestrated for the benefit of his Creditors; and serve on the said KARL KAMP a copy of this Summons, and return you this Summons immediately after the service thereof with whatsoever you have done thereupon.

Witness:—The Right Honourable Sir J. H. de Villiers, K.C.M.G., Our Chief Justice of Our said Colony, at Cape Town, the 6th day of September, 1906, in the Sixth Year of Our Reign.

Actg. Asst. Registrar of the Supreme Court.

Indien de belasting betaler kennis geeft binnen 14 dagen dat hij weigert de uitspraak van den Commissaris aan te nemen, zal de Commissaris de objectie, welke geacht zal worden een Kennisgeving van Appèl te zijn binnen de meening van Sub-Sectie (1) van Sectie 73 van de Wet, overzenden naar het Hof van Herziening voor onderzoek en uitspraak.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy.

GREETING!

WHEREAS upon Petition of PETRUS JOHANNES MARAIS, of Wheatfields, Mowbray, it appears to Us that the said Petitioner is the holder of a certain Mortgage Bond for the sum of six thousand five hundred pounds sterling, passed in his favour by one ELIAS ADAMSTEIN, of Laingsburg, on the 22nd day of February, 1904, whereby certain three pieces of land situate in Cape Town were specially hypothecated.

And whereas it appears that the whereabouts of the said ADAMSTEIN being unknown to the said Petitioner, leave was on the 13th day of March, 1906, granted by this Honourable Court to the latter to sue the said ADAMSTEIN by Edictal Citation for the capital and interest after-mentioned.

And whereas it appears to Us that thereafter on the 21st day of June, 1906, the said Petitioner did obtain judgment against the said ADAMSTEIN for:

(*a*) The sum of £6,500, being the capital of the aforementioned Mortgage Bond;
(*b*) Interest thereon, reckoned from the 17th day of August, 1904, and calculated at the rate of six per centum per annum;
(*c*) The sum of £32 11s. 0d., being certain premiums of insurance paid by your Petitioner by virtue of the powers vested in him by the said Mortgage Bond;
(*d*) Costs of suit.

And whereas thereafter a writ of execution was issued against the immovable property specially hypothecated, and also against the movable property of the said ADAMSTEIN.

And whereas no goods or chattels of the Defendant were found by the Sheriff after diligent search wherewith to satisfy the said writ in whole or in part the Sheriff made a return of *nulla bona*, and attached the said properties.

And whereas it appears to Us that in due course the said properties were put up for sale by public auction for the purpose of satisfying the said writ, but no offer sufficient for the purpose was obtained and the property was declared by the Sheriff to be "not sold."

And whereas it appears that by reason of the facts recited the said ADAMSTEIN has committed an act of insolvency inasmuch as he has failed to satisfy the said writ or to point out to the officer charged with the execution thereof sufficient disposable property to satisfy same.

And whereas the said Petitioner values his security at the sum of £5,000.

And whereas it appears to Us that the said ADAMSTEIN is actually insolvent, and it would be for the benefit of the Creditors that his Estate should be sequestrated. His present whereabouts is quite unknown to Petitioner.

And whereas it appears that the said Petitioner is informed and verily believes that the said ADAMSTEIN has been absent from the Colony for more than forty days.

And whereas it further appears to us of record that the Honourable W. M. Hopley, one of the Judges of the Supreme Court of our said Colony, did by an order under his hand, bearing date the 10th day of September, 1906, place the Estate of the said ELIAS ADAMSTEIN under Sequestration in the hands of the Master of the Supreme Court until the same should be thereafter adjudged to be finally sequestrated.

Now, therefore, we command you that you summon the said ELIAS ADAMSTEIN, lately of Laingsburg, that he appear before our Judges of our Supreme Court of our said Colony, at Cape Town, on Monday, the 15th day of October, 1906, at 10.30 o'clock in the Forenoon, to show cause, if any, why his Estate should not, by sentence of the said Supreme Court, be adjudged to be finally sequestrated for the benefit of his Creditors; and effect service of this summons by leaving a copy at the said ADAMSTEIN'S last known place of residence at Laingsburg, and by affixing a copy hereof on the outer door of the Honourable the Supreme Court and return you this summons immediately after the service thereof with whatsoever you have done thereupon.

WITNESS:—The Right Honourable Sir John Henry de Villiers, K.C.M.G., our Chief Justice of our said Colony at Cape Town, the 13th day of September, 1906, in the Sixth year of our Reign.

Actg. Asst. Registrar of the Supreme Court.

2. COLONIAL SECRETARY'S MINISTERIAL DIVISION.

[1206.] [1906.]

Colonial Secretary's Office,
Cape Town, 20th September, 1906.

THE following Summary of the Report of the Government Labour Bureau for the month of August, 1906, is published for general information.

NOEL JANISCH,
Under Colonial Secretary.

REPORT FOR THE MONTH OF AUGUST, 1906.

The direct demand through the Bureau was 149 as compared with 180 for the preceding month.

The number of men sent to definite work was 129, made up as follows:—

Artizans, 46; labourers, 58; servants (in-door and out-door) 20; clerks, salesmen and canvassers, 3; warders, constables and attendants, 2; total, 129. The number sent to work during the preceding month was 114.

The above figures call for little remark except that an unusually large proportion (about 70 per cent.) of the artizans were required for temporary work only.

As regards the prospect of improvement in the demand for labour, it would appear from statements obtained from Municipal Officers and other responsible persons, that taking the Cape Peninsula as a whole, there is every reason to believe that there will be a steady call for at least unskilled labour in less than two months from the present date.

Special arrangements for the registration of coloured men were made on the 22nd August and up to the end of the month, 45 persons had entered their names for employment. There is little or no demand for the services of coloured artizans, but a number have been provided with work as stonebreakers, &c.

An Act for the regulation of Servants' Registry Offices (No. 20 of 1906) was promulgated on the 21st August, and will be in operation from and after the 1st day of October, 1906.

Under Section 2 of the Act, the words servant or servants is defined as meaning "any person or persons engaged, seeking engagement for hire, in any manual capacity, whether domestic, agricultural, pastoral, mechanical or otherwise howsoever, and shall include Governesses and Lady helps." The administration of this Act has been placed with the Colonial Secretary.

Building Plans.—During the period 1st to 31st of August, 38 plans were under consideration by the City Council, of these 13 were approved, 4 returned to the architects, 7 withdrawn, and 14 remain under consideration. The approximate cost of the proposed work is £5,200.

Tenders.—The City Council have notified contractors that they are prepared to receive tenders for the supply of various hardwood blocks and ashphalte for the test paving of various carriage ways.

The following tenders were, *inter alia*, accepted, by the Public Works Department:—Additions to Gaol, Fort Beaufort (Mr. J. J. Lacey, £1,740). Cement for Cedarville Bridge (Mr. J. Cole, £718 15s.). New Gaol, Port Nolloth (Messrs. Cox & Rolton, £3,929 13s. 4d)- Road Maintenance, Indwe (Mr. G. Brown, £475). Extension, Graham's Town Asylum (Messrs. Berry & Knight, £1 349).

About 250 men are employed on various municipal works and this number will not be increased to any extent for some few weeks.

INDUSTRIES. *Sail making.*—Dull. There is no demand as yet from the farming districts.

Furniture making.—Unsatisfactory—no activity.

Tobacco Manufacture.—Very fair. A well-marked decrease in the number of those unemployed, which, however, is co-incident.

Since the commencement of the Oude Molen Relief Works on the site of the New Alexandra Hospital, 28 acres have been trenched, ploughed and specially prepared for the work of tree planting which has recently been put in hand. Various old buildings, fencings and other obstacles have been demolished and a piece of waste ground, half an acre in extent has been reclaimed, a garden laid out and planted with various kinds of vegetables. In addition to the special parties of men detailed for garden work, wood chopping and stone breaking, there is a staff of about 12 men comprising a clerk, overseers, cooks, wardsmen, etc., who receive a small payment for their services in addition to board and lodging. These latter are selected from among the relief workers on account of their general good conduct and trustworthiness.

VAGRANCY.—Convictions during July, 25; August. 26.

GENERAL SUPPLY AND DEMAND.

Aliwal North.—All branches of the labour market are overcrowded.

Beaconsfield.—The supply of native labour fell somewhat short during the early part of August, and 1,200 are still required.

Bredasdorp.—The building and retail trades are in a flourishing condition but there is no demand for outside labour.

Calvinia.—Farm labourers are in demand.

East London.—There is a slight improvement in all branches, but the supply of labour still exceeds the demand.

Fort Beaufort.—A large number of native labourers left for other centres.

Hopefield.—It is anticipated that building operations will be commenced shortly.

Hopefield.—Farm hands are in great demand.

King Williamstown.—There is a further decrease in the number of unemployed.

Namaqualand.—There is a demand for mining labourers.

Oudtshoorn.—There is no prospect of employment for artizans in this District.

Port Elizabeth.—There seems to be very little activity in the labour market. 18 building plans were passed by the municipality, the approximate cost of the proposed work being £7,873. During September, the construction of a railway between the town and Walmer will be commenced. The municipality have under consideration the question of a comprehensive scheme for the town drainage.

Queenstown.—The building and retail trades are dull.

Riversdale.—Farm hands are in demand.

Stellenbosch.—A number of coloured labourers have been engaged for the Transvaal mines, and are now awaiting transport.

Vitenhage.—There is no inducement for men to proceed to this District in search of employment.

Van Rhynsdorp.—An unlimited demand exists for farm labourers.

Victoria West.—There is an improved prospect for farmers.

The districts generally do not need special comment, as the supply is reported to be equal to the demand. The reports indicate that in the undermentioned centres the supply exceeds the demand:—

BUILDING TRADES.—Aliwal North, Cape, East London, Middelburg, Oudtshoorn, Port Elizabeth, Steynsburg.

ENGINEERING TRADES.—Aliwal North, Cape, East London, Port Elizabeth.

FACTORIES.—Cape, East London, Port Elizabeth.

FARMING.—Aliwal North, King William's Town, Steynsburg, Stockenstrom.

RETAIL TRADES.—Aliwal North, Cape, East London, Port Elizabeth, Steynsburg.

UNSKILLED LABOURERS:—Aliwal North, Cape, East London, Herschel, King William's Town, Middelburg, Port Elizabeth, Steynsburg, Stockenstrom. The only specific demand is for native herds and farm hands at Beaufort West, Britstown, Calvinia, Clanwilliam, Fraserburg, Hopetown, Riversdale, Uniondale, Van Rhynsdorp and Vryburg, and for general labourers at Beaconsfield, Britstown, Clanwilliam, Namaqualand, Prince Albert and Uniondale.

There has been an improvement in the demand for labour as follows:—*Building trades.* Aberdeen, Bredasdorp, Malmesbury and Mossel Bay. *Farming:* Breda-dorp, Tulbagh and Victoria West. *Retail trade:* Bredasdorp, Malmesbury, Tulbagh and Victoria West.

On the other hand, the reports indicate a falling off in the demand for artizans at Hopefield and Hopetown

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van den datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geene waarde worden, en reeds gedane betalingn zullen aan de Regeering vervallen.

The tax shall fall due on the 1st day of July, 1904, and shall be paid annually, and in the event of default of payment the law in force in the territories with regard to the recovery of hut tax shall be applicable. Provided that in the case of any registered holder who at the date of this Proclamation has already erected a substantial house, and effected other improvements on the commonage, the Governor may grant a site of such larger extent as will comprise the area of improvements effected by the registered holder on land in his bona fide and lawful occupation. 16. Should such registered holder remain in default of payment of the whole or part of the aforesaid instalments or of the quitrent for a period of one year, it shall be lawful for the Governor to cancel his title deed and to re-allot the land to any approved claimant not in possession of an allotment, on payment by such claimant of the unpaid instalments of the costs of survey if any : Provided that due notice of the intention of the Governor to cancel the title deed shall be posted by the Resident Magistrate of the district at the Court-house, and at the premises of the registered holder, for a period of twenty-eight days.

[1105.] [1906.]

Office of the Surveyor-General,
Cape Town, 29th August, 1906.

ALLOTMENT OF REMAINING FARMS COMPRISED IN THE FIRST RAILWAY LAND GRANT, BECHUANALAND.

UNDER and by virtue of a Resolution adopted by the House of Assembly on the 27th May, 1904, and concurred in by the Legislative Council on the 28th May, 1904, it is hereby notified for general information that the under-mentioned farms, being portion of the area known as the First Railway Land Grant, Bechuanaland, situate in the Division of Vryburg, will *up to and including the 30th November*, 1906, be open for selection in the manner and on the terms and conditions hereunder set forth, viz. :—

1. Every application for such land shall be made, in writing, to the Civil Commissioner of Vryburg, who shall note thereon the date on which such application shall have been received by him, and in due course submit the same to the Land Board appointed for the purpose by Government.

Any application received after the 30th November, 1906, will not be considered.

2. The said Land Board shall thereupon allot the land so applied for to the person who, in its opinion, after due enquiry is deemed the most suitable—provided that, in no case shall the Board be bound to select any person deemed undesirable.

3. Every applicant for land under the provisions of this Notice shall make and append to his application a declaration to the following effect :—

I, [A.B] (insert occupation), residing at ————— in the District of————————, do solemnly and sincerely declare that I am a British subject of the age of twenty-one years and upwards, that I make this present application for my own exclusive use and benefit, and not directly or indirectly for "the use or benefit of any other person whomsoever, that I am not the owner of any land other than urban property, that I have not made any arrangement or agreement to enable or permit any other person to acquire by purchase or otherwise, the land in respect of which this my application is made."

Signature of Applicant,
[A.B.]

Declared before me at————this————day of ————— 190

[C.D.]

Justice of the Peace.

4. Every applicant at the time of making application shall deposit with the Civil Commissioner of the Division in which such land is situate a sum equal to one-twentieth of the value of such land, and of the survey and other expenses connected therewith, and in the event of his neglecting or refusing to take up the land so applied for, if allotted to him, the said sum shall be absolutely forfeited to the Government : Provided that in the case of the ground applied for not being allotted to him, the amount of his deposit shall be returned to him forthwith.

5. Any British subject of full age may be allotted land under the provisions of this Notice, but no person who is the registered owner of any land other than urban property within the Colony, and no person who has at the time of application made any arrangement or agreement to permit any other person to acquire by purchase or otherwise the land so applied for shall be allotted land, and no person shall be capable of receiving more than one allotment under these provisions.

6. The Minister shall issue to the successful applicant a licence to hold the land applied for on the following terms and conditions :

(*a*) The licence shall be for five years, reckoned from the next first July, or first January following the date of licence, but occupation may commence immediately the Licence deed is issued.

(*b*) The yearly payment in respect of such licence shall be equal to one-twentieth the price fixed for the land so held, together with one-twentieth of the survey and other expenses on such land, and shall be paid in advance.

(*c*) The deposit paid at the time of application shall be in discharge of the amount due on the next first day of January or July, as the case may be.

(*d*) The person to whom such licence is issued shall, within six months of the issue of his licence, personally occupy the land allotted to him, and shall continue so to occupy such land except as hereinafter provided, for the term of five years, or until he shall obtain a title to such land.

(*e*) No substitution whatever will be allowed during the period of the licence, unless the applicant shall have notified to the Civil Commissioner, when submitting his application for the farm, in terms of Section I of this notice, that he desires to occupy by substitute, and shall at the same time have submitted, in writing, the name of the proposed substitute for the consideration and approval of the Land Board.

Occupation by substitutes other than those approved of as above will not be permitted, and in no case will occupation by substitute be allowed for more than two years during the whole term of the licence.

7. No land held under the provisions of this Notice shall be transferable during the currency of the licence mentioned in the clause next preceding, except with the previous consent of the Government.

8. In the event of any failure during the currency of the licence to perform the condition of occupation the Minister may declare the licence absolutely forfeited and the land in respect of which the licence is issued shall revert to Government : Provided that if it is proved to the satisfaction of the Minister that the failure to occupy was caused by drought, or some other cause deemed sufficient by the Minister, he may excuse such failure, but such excuse shall not be given for a period of more than twelve months unless such cause subsists for a longer period.

9. At the expiration of the five years for which any licence is granted, and if the Minister is satisfied that the conditions therein contained have been duly fulfilled, he shall cause to be issued to the licensee a title deed to the land held and occupied by him on quitrent tenure at an annual quitrent equal to the yearly licence fee, which quitrent shall cease to be payable when twenty instalments (20) in all, equivalent to the purchase price of the land, have been paid.

10. The title deed will be subject to the following general conditions, and to such special conditions as may be considered expedient, viz. :—

(*a*) All roads and thoroughfare being or existing on the land, whether described in the diagram or not, shall remain free and uninterrupted; unless the same be closed or altered by competent authority.

(*b*) If at any time it should appear to the Governor upon petition of any adjacent or neighbouring proprietor that such adjacent or neighbouring proprietor requires a way or road of necessity to or from the land of such adjacent or neighbouring proprietor, the owner of land so granted, upon which such road is required, shall be bound to grant such way or road of necessity, and to point out the direction and width thereof : Provided that in case of a dispute or difference regarding such road, or its sufficiency, the direction and width of the road shall be decided upon by the Divisional Council of the Division in which the land is situated : Provided further that the said owner shall not be bound to allow such road or thoroughfare across land which shall at the time be in a state of cultivation or improvement, and that compensation for the right of way and any damage done shall be paid for by the person or persons for whose benefit and upon whose application the said road is made according to determination by arbitration.

(*c*) The Governor shall at all times have the right to make roads, railways, dams, aqueducts, drains, and to conduct telegraphs over the land for the benefit of the public, and to take materials for these purposes, also to establish convenient outspans for the use of travellers, on payment to the proprietors of such sum of money as compensation as may be determined by arbitration : Provided that the arbitrators may set off against the loss or damage caused to the proprietor, the benefit, instant or prospective, which he shall or may derive in consequence of the construction of any of the said works.

(*d*) The Governor shall at all times have the right of resuming the whole or a portion of the land hereby granted, if required for public purposes, on payment to the proprietor of such sum of money in compensation as may be mutually agreed upon by the parties concerned, or, failing such agreement, as may be determined by arbitration.

(*e*) All rights to gold, silver, and precious stones found or discovered at any time on or in the land so granted, shall be reserved to the Government conjointly with the Rhodesia Railways Ltd., together with a right of ingress to and egress from any mines or works undertaken for mining or prospecting purposes by any person or persons authorised by the Government. If any instalment shall not be paid within three months of the date on which it is due and payable an additional sum equal to one-fourth part thereof, by way of penalty, shall be added thereto, and shall, together with the instalment overdue, be recoverable at the suit of the Government in any competent Court.

These farms will be allotted subject to the condition that the Licencee shall not be allowed during the continuance of his licence to cut down or destroy any forest timber, or poles growing upon the land, except as shall be reasonably necessary for domestic purposes, and for the beneficial occupation of the land, but not for sale.

IN terms of Section 4, Act 26 of 1891, as re-enacted by Act No. 18 of 1897, it is hereby notified that the following Pieces of Crown Land, situate in the Division of Peddie, will be offered for Lease, by Public Auction, in front of the Office of the Civil Commissioner of Peddie, at 10 o'clock a.m., on Saturday, the 3rd November, 1906, subject to the Conditions and Stipulations hereinafter contained, and further to such Conditions as may be declared on the day of Sale.

The Land will be let on Lease for any term not less than one year and not exceeding five years, to the highest bidder.

The following are the Conditions of Lease :—

1. One year's rent shall be paid to the Civil Commissioner on the day of Sale, and if the term of the Lease shall exceed one year the due payment in advance of the rent for the subsequent year or years shall be secured by approved sureties; provided that the Civil Commissioner may receive two years' rent in advance, in which case the said security will not be required.
2. The Government reserves the right of terminating the Lease should it be thought expedient to sell the land or other circumstances render it necessary or expedient at any time, at two months' notice; and in such case the proportion of paid rent for any unexpired portion of the current year shall be refunded to the Lessee.
3. Licensed Land Surveyors employed in the survey of Crown or other lands with their assistants and servants, shall have the right of access at any time to any part of the land leased for professional purposes.
4. The right of searching and mining for ores, metals, minerals, or precious stones, is reserved to the Government or to any person authorised by it, save in so far as such right may limit the rights and privileges of the said Lessee in respect of precious stones and minerals, in manner provided by any Act in that behalf.
5. The Government does not undertake to point out any beacons. The description of the Lot will be given on the day of Sale of the Leases, and the Lessee will thereupon be expected to find the extent leased by him.
6. The Lessee shall not be entitled at the expiration or other termination of his Lease, to any compensation for improvements made during the term of the Lease, but they shall become the property of the Government.
7. The Lessee shall be required to keep all existing improvements on the land in good repair during the Lease, and to deliver up the same in good repair, but shall not be entitled to any compensation for the same.
8. The Lessee shall not transfer the Lease nor sublet the land or any portion of it, or any buildings or erections thereon, without the written sanction of the Government first obtained.
9. The Lessee shall wholly and absolutely forfeit his Lease upon the breach of any condition binding him.
10. The Government reserves to itself the right to limit the number of persons who may reside on the land hereby leased during the subsistence of the lease, and, upon the recommendation of the Divisional Council, after due enquiry made with cognisance of the Lessee, either to remove such numbers of persons as it may consider excessive or to cancel the lease as may seem to it equitable under the circumstances.
11. The occupation of land under this Lease shall not be held to be *bona fide* occupation under the provisions and for the purposes of Section 20 of Act No. 40 of 1895.

Other conditions may be declared on the day of Sale.

The Stamps required by Act No. 20 of 1884, to be affixed to the Contracts of Lease will be furnished by the Government free of charge to the Lessee.

Landmeter-Generaals Kantoor,

Kaapstad, 29 Augustus 1906.

OVEREENKOMSTIG artikel 4, Wet 26 van 1891, als verder bekrachtigd door Wet 18 van 1897 wordt hiermede kennis gegeven dat de volgende stukken Kroonland, gelegen in de Afdeeling Peddie, bij publieke opbod, te huur aangeboden worden zullen voor het kantoor van den Civielen Commissaris te Peddie, om 10 uur 's voormiddags, op Zaterdag, den 3 November 1906, onderhevig aan de Voorwaarden en Bepalingen hierna te worden genoemd, en verder aan zulke condities als op den verkoopdag mogen vermeld worden.

De grond zal voor een termijn van niet minder dan een jaar en niet meer dan vijf jaren aan den hoogsten bieder verpacht worden.

De algemeene voorwaarden van de verpachting zijn als volgt :—

1. Een jaar huur zal den Civielen Commissaris op den dag der verpachting betaald worden, en als de pachttijd meer dan een jaar zal zijn, zal de gereedelijke betaling van de huursom vooruit voor het volgende jaar of de volgende jaren door goedgekeurde borgen verzekerd worden : mits echter dat de Civiele Commissaris twee jaar huur vooruit mag ontvangen, in welk geval genoemde borgstelling niet noodig is.

2. De Regeering behoudt het recht de pacht te eindigen, mocht het dienstig geacht worden den grond te verkoopen of andere omstandigheden het te eeniger tijd noodig of dienstig maken, op twee maanden kennisgeving; en in zulk een geval zal de huur, betaald voor een nog niet afgeloopen deel van het loopende jaar, aan den huurder terugbetaald worden.

3. Gelicentieerde landmeters, bezig met het opmeten van Kroon of anderen grond met hunne assistenten en bedienden, zullen ter alle tijde recht van toegang hebben, tot alle deelen van den verhuurden grond voor professioneele doeleinden.

4. Het recht om te zoeken en graven naar erts, metalen, delfstoffen, of edelgesteenten is aan de Regeering of aan alle door haar gemachtigde personen voorbehouden, behalve in zoo ver als zulk recht de rechten en privilegien van gezegde huurders ten opzichte van edelgesteenten en delfstoffen moge beperken, als bepaald bij eenige wet te dien opzichte.

5. De Regeering neemt niet op zich eenige baken aan te wijzen. De beschrijving van het stuk grond zal op den pachtdag gegeven worden, en de huurder zal daarop verwacht worden de uitgestrektheid van het door hem gehuurde land te vinden.

6. De huurder zal bij het vervallen of anderszins eindigen van den huur, geen aanspraak hebben op eenige vergoeding voor verbeteringen aangebracht gedurende den huurtijd, maar deze zullen het eigendom der Regeering worden.

7. De huurder zal alle bestaande verbeteringen op den ground gedurende den huurtijd in goeden staat moeten houden en die in goeden staat afleveren, maar zal niet gerechtigd zijn tot eenige vergoeding daarvoor.

8. De huurder zal de pacht niet overdragen, of den grond of eenig deel daarvan onder verhuren, of eenige gebouwen daarop, zonder dat eerst de schriftelijke vergunning der Regeering verkregen is.

9. De huurder zal zijn pacht geheel en volstrekt verliezen op het breken van eenige hem bindende voorwaarde.

10. De Regeering behoudt zichzelve het recht voor om het aantal personen te beperken, die op den hierbij verhuurden grond mogen wonen gedurende het bestaan van de pacht, en om, op aanbeveling van den Afdeelingsraad na behoorlijk onderzoek ingesteld met medeweten van den huurder, hetzij zoodanig aantal personen te verwijderen als zij te veel moge oordeelen, of de pacht nietig te verklaren als haar billijk onder de omstandigheden moge voorkomen.

11. Het bewonen van grond onder deze huur zal niet beschouwd worden *bona-fide* occupatie te zijn onder de bepalingen en voor de doeleinden van artikel 20 van Wet No. 40 van 1895.

Andere voorwaarden mogen op den koopdag genoemd worden.

De zegels die volgens Wet 20 van 1884, aan het huur kontrakt moeten gehecht worden, zullen vrij van onkosten door de Regeering aan den huurden verschaft worden.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent. per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het oordeel van den Resident Magistraat goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot de betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van excussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van den datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geene waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

Kaapstad, 9 Augustus 1906.

KROON LANDEN VOOR UITKIEZING ONDER WET 40 VAN 1895

IN termen van Artikel VII. van Wet 40 van 1895, wordt hiermede kennis gegeven voor algemeene informatie dat de ondergenoemde plaatsen gelegen in de Afdeelingen Kenhardt en Clanwilliam respektievelijk open zullen wezen voor uitzoeking van en na Zaterdag, den 10den dag van November 1906, op de wijze en bepalingen vervat in de gezegde Wet 40 van 1995, en hieronder voortgezet:—

1. Ieder aanzoek voor zulk land zal schriftelijk moeten gedaan worden, aan den Civielen Commissaris van de Divisie in welke zulk land gelegen is, die daarop zal noteren den dag waarop zulk aanzoek door hem ontvangen werd, en ze dan aan den Minister toezenden.

2. Voor het doel van deze Wet, zullen twee of meer aanzoeken ontvangen voor hetzelfde land op dezelfden dag na den datum vastgesteld in de kennisgeving genomen worden als te gelijkertijd gedaan, en alle aanzoeken gedaan voor den datum vastgesteld in de kennisgeving zullen behandeld worden alsof zij gedaan werden op den datum alzoo vastgesteld.

3. De Minister zal de landen voor welk alzoo aanzoek gedaan is allotteeren volgens de prioriteit van aanzoek, tenzij dat er twee of meer aanzoeken gedaan werden te gelijker tijd voor het zelfde land, dan zal het recht van prioriteit bepaald worden door loten.

4. Ieder aanzoeker voor land onder de provisies van deze Wet zal een declaratie maken, en dezelve bij zijn aanzoek voegen ten volgende effekte:—

> Ik [A.B.] (voeg in occupatie), wonende te ..... in het Distrikt van ....., verklaar hiermede plechtiglijk en oprechtelijk dat ik een en twintig jaren oud ben en boven, dat ik deze tegenwoordige aanzoek doe voor geheel mijn eigen gebruik en voorecht, en niet direkt of indirekt "voor het gebruik of voorrecht van eenig ander persoon hoegenaamd, dat ik niet de eigenaar ben van eenig land, dat ik geen schikking of toestemming gemaakt heb om eenig ander persoon te doen verkrijgen door kooping of anderszins, het land in verband niet welke deze mijne aanzoek gemaakt is."
>
> Onderteekening van Applikant.
> [A.B.]
>
> Verklaard voor mij, te ..... heden ..... dag van ..... 190 .....
> [C.D.]
> Vrederechter.

5. Ieder applikant op den tijd wanneer aanzoek gedaan wordt zal bij den Civielen Commissaris van de Divisie in welke zulk land gelegen is deponeeren een somma gelijkstaande aan de een-twintigste deel der waarde van zoodanig land, en van de landmeting en andere onkosten in verband daarmede, en in geval dat hij verzuimt of weigert om het land te nemen, indien aan hen bedeelt, waarvoor aanzoek gedaan werd, zal de geheele somma absoluut verbeurd worden aan het Gouvernement: Tenzij dat in geval, het land waarvoor aanzoek gedaan is niet aan hem bedeeld wordt, het geld door hem gedeponeerd dadelijk terug zal beaald worden.

6. Aan eenig persoon die mondig is, kan land worden geallotteerd onder de provisies van deze Wet, maar geen persoon die de geregistreerde eigenaar is van eenig land binnen de Kolonie, en geen persoon die overeenkomst gemaakt heeft om eenig ander persoon toe te laten om te verkrijgen door kooping of anderszins, het land aldus voor aanzoek gedaan, zal het land bedeeld worden, en geen persoon mag meer dan een deel ontvangen volgens de kracht van uitzoeking onder deze Wet.

7. De Minister zal aan den eersten aanzoeker die voldaan zal hebben aan de bepaalde condities voor eenig land onder deze Wet, of in geval van twee of meer aanzoekingen voor hetzelfde land aan den aanzoeker bepaald door lot, een licentie geven om het land te houden voor welk aanzoek gedaan werd op de volgende voorwaarden en condities:—

(*a*) De licentie zal wezen voor vijf jaren, berekend van den aanstaanden eersten Juli, of eersten Januari volgende den datum van licentie, en zal insluiten het tijdperk tusschen den datum van licentie en zulk dag.

(*b*) De jaarlijksche betaling voor zoodanige licentie zal gelijkstaande wezen aan een-twintigste de prijs vastgesteld voor het land alzoo gehouden, tezamen met een-twintigste van de opmeting en andere onkosten op zoodanig land, en zal vooruit betaalbaar wezen.

(*c*) Het deposit betaald op den tijd van aanzoek zal in betaling wezen voor het bedrag betaalbaar op den aanstaanden eersten dag van Januari of Juli, zooals het geval is.

(*d*) Den persoon aan wien licentie uitgereikt is zal, binnen zes maanden van de uitreiking van zijn Licentie, persoonlijk het land bewonen aan hem bedeeld en zal op zoodanig land blijven, voor een tijdperk van vijf jaren behalve als hierna bepaald of totdat hij een grondbrief ontvangen zal hebben voor zoodanig land.

8. Geen land gehouden onder de provisies van deze Wet mag worden getransporteerd gedurende den loop van de licentie genoemd in de clausule voorafgaand.

9. In geval van eenig verzuim gedurende den duur van de licentie om te voldoen aan de condities van occupatie, kan de Minister de licentie verklaren als geheel en al verbeurd, en het land in verband voor welke de licentie uitgereikt is zal naar het Gouvernment terug vallen: Mits dat indien het bewezen is geworden naar de voldoening van den Minister dat het verzuim om te bewonen werd veroorzaakt door droogte, mag hij zulk verzuim verontschuldigen maar zulke verontschuldiging zal niet gegeven worden voor een tijdperk van meer den twaalf maanden, tenzij zulk droogte aanhoudt voor een langer tijdperk.

10. Op het einde van de vijf jaren voor welke eenig licentie gegeven is, en indien de Minister tevreden is dat de condities daarin vervat behoorlijk zijn volbracht, zal hij laten uitreiken aan de licentiehouder een schenking op het land gehouden en bewoond door hem op erfpacht tenure, onderworpen aan de condities vermeld in Sectie V. van Wet 15 van 1887, onderworpen aan betaling van vijftien jaarlijksche paaimenten, elk van het bedrag van een twintigste van de waarde van het land, tezamen met de waarde van de landmeting en andere onkosten die een eerste last zullen wezen op zulk land, en verzekerd worden door een verband ten gunste van het Gouvernement: Tenzij dat in geval het bewezen is geworden tot bevrediging van den Minister, die certificaten zal noodig hebben te dien effekte, dat de licentie houder na twee jaren van occupatie permanente verbeteringen gemaakt heeft op het land bewoond door hem onder zoodanige licentie ten minste van gelijke waarde van genoemde land, de Minister dan aan hem mag uitreiken een grondbrief op het land gehouden of bewoond door hem, onderworpen aan de betaling van zoo vele jaarlijksche paaimenten van een twintigste van de waarde van het land, tezamen met de waarde van de opmeting en andere onkosten, die zullen, tezamen met jaarlijksche paaimenten betaald door hem, in verband van de licentie van genoemde grond, de geheele waarde opmaken, en zulk jaarlijksche verschuldigde paaimenten zullen vast gezet worden door verband.

11. Indien eenig paaiment niet betaald zal wezen binnen drie maanden van den datum op welk het schuldig en betaalbaar is, zal een additioneele somma gelijkstaande aan een vierde deel daarvan bijgeteld worden als een boete, en zal, tezamen met het onbetaalde paaiment, inbaar wezen door gerechtelijke vervolging van het Gouvernement in eenig bevoegd Gerechtshof.

Deze plaatsen zullen geallotteerd worden op voorwaarde dat de Gelicentieerde niet vergund is gedurende den duur van zijne Licentie, eenig bosch hout of palen groeiende op het land te hakken of te vernielen, behalve zooveel als redelijk noodig is voor eigen gebruik, en voor de voordeelige occupatie van het land, doch niet om te verkoopen.

De Teekeningen en Licentie Akten kunnen gezien worden ten kantore van de Civiele Commissarissen en ten kantore van den Landmeter-Generaal, Kaapstad.

Alle navragen om inlichting moeten geadresseerd worden aan den Landmeter-Generaal of aan de respektievelijke Civiele Commissarissen.

[1038.] [1906.]

Landmeter-Generaals Kantoor,
Kaapstad, 14 Augustus 1906.

OVEREENKOMSTIG artikel 4, Wet 26 van 1891, als verder bekrachtigd door Wet 18 van 1897, wordt hiermede kennis gegeven dat de volgende stukken Kroonland, gelegen in de Afdeeling Calvinia, bij publieke opbod, te huur aangeboden worden zullen voor het kantoor van den Civielen Commissaris te Calvinia, om 10 uur 's voormiddags, op Dinsdag, den 23 October 1906, onderhevig aan de Voorwaarden en Bepalingen hierna te worden genoemd, en verder aan zulke condities als op den verkoopdag mogen vermeld worden.

De grond zal voor een termijn van niet minder dan een jaar en niet meer dan vijf jaren aan den hoogsten bieder verpacht worden.

De algemeene voorwaarden van de verpachting zijn als volgt:—

1. Een jaar huur zal den Civielen Commissaris op den dag der verpachting betaald worden, en als de pachttijd meer dan een jaar zal zijn, zal de gereedelijke betaling van de huursom vooruit voor het volgende jaar of de volgende jaren door goedgekeurde borgen verzekerd worden: mits echter dat de Civiele Commissaris twee jaar huur vooruit mag ontvangen, in welk geval genoemde borgstelling niet noodig is.

2 De Regeering behoudt het recht de pacht te eindigen, mocht het dienstig geacht worden den grond te verkoopen of andere omstandigheden het te eeniger tijd noodig of dienstig maken, op twee maanden kennisgeving; en in zulk een geval zal de huur, betaald voor een nog niet afgeloopen deel van het loopende jaar, aan den huurder terugbetaald worden.

3. Gouvernements landmeters, bezig met het opmeten van Kroon of anderen grond met hunne assistenten en bedienden, zullen ter alle tijde recht van toegang hebben, tot alle deelen van den verhuurden grond voor professioneele doeleinden en het recht om eenig deel van het land te gebruiken en hun vee en paarden te weiden op alle weiden en water te geven uit alle waters.

4. Alle wegen over het gepachte land mogen door het publiek als vee paden (trekpaden) worden gebruikt ter breedte van 200 yards aan iederen kant van zoodanigen weg.

5. Het reizende publiek zal het recht hebben uit te spannen langs eenigen weg loopende over land aldus gepacht.

6. Het recht om te zoeken en graven naar erts, metalen, delfstoffen, of edelgesteenten is aan de Regeering of aan alle door haar gemachtigde personen voorbehouden, behalve in zoo ver als zulk recht de rechten en privilegien van gezegde huurders ten opzichte van edelgesteente en delfstoffen moge beperken, als bepaald bij eenige wet te dien opzichte.

7. De Regeering neemt niet op zich eenige baken aan te wijzen. De beschrijving van het stuk grond zal op den pachtdag gegeven worden, en de huurder zal daarop verwacht worden de uitgestrektheid van het door hem gehuurde land te vinden.

8. De pachter heeft geen vrijheid boomen kreupel hout of rijsheut te hakken of te vernietigen op het gepachte land behalve zooveel als hij redelijk noodig heeft voor eigen gebruik.

9. De huurder zal bij het vervallen of anderszins eindigen van den huur, geen aanspraak hebben op eenige vergoeding voor verbeteringen aangebracht gedurende den huurtijd, maar deze zullen het eigendom der Regeering worden.

10. De huurder zal alle bestaande verbeteringen op den grond gedurende den huurtijd in goeden staat moeten houden en die in goeden staat afleveren, maar zal niet gerechtigd zijn tot eenige vergoeding daarvoor.

11. De huurder zal den grond of eenig deel daarvan niet onder verhuren, of eenige gebouwen daarop, zonder dat eerst de schriftelijke vergunning de Regeering verkregen is.

12. De huurder zal zijn pacht geheel en volstrekt verliezen op het breken van eenige hem bindende voorwaarde.

13. De Regeering behoudt zichzelve het recht voor om het aantal personen te beperken, die op den hierbij verhuurden grond mogen wonen gedurende het bestaan van de pacht, en om, op aanbeveling van den Civielen Commissaris na behoorlijk onderzoek ingesteld met medeweten van den huurder, hetzij zoodanig aantal personen te verwijderen als zij te veel moge oordeelen, of de pacht nietig te verklaren als haar billijk onder de omstandigheden moge voorkomen.

14. Het bewonen van grond onder deze huur zal niet beschouwd worden *bona-fide* occupatie te zijn onder de bepalingen en voor de doeleinden van artikel 20 van Wet No. 40 van 1895.

OVEREENKOMSTIG artikel 11., Wet No. 15 van 1887, zooals geamendeerd door artikels IV., V., en VI., van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat de volgende Perceelen Kroonland, bij publieke veiling te koop aangeboden zullen worden voor de kantoor van de respektievelijke Civiele Commissarissen, om 10 uur v.m., op de genoemde datums, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en de algemeene koop-condities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Met dien verstande:

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop metig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk perceel en van den Grondbrief, nam., 12s. 3d., zullen aan den Civielen Commissaris of andere ten dien opzichte wettelijk geauthoriseerden persoon, op den koopdag betaald worden.

De kooper is verplicht een verband te passeeren, gevende interest tegen vier per cent. per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van den datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geener waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.
